A Sri Yantra diagram, a complex geometric figure consisting of nine interlocking triangles that radiate from a central point (bindu). The triangles are surrounded by two concentric circles of lotus petals (an inner circle of 8 petals and an outer circle of 16 petals). The entire diagram is enclosed within a square border with T-shaped projections (gates) on each side. Sanskrit mantras are written in Devanagari script within the petals and around the diagram. The central point is a small black dot. The background is a light yellowish-brown color.
